INTRODUCING

TINA LEWRY

INDEPENDENTS *always*

DO IT BETTER !!

I’ve worked fully licensed since 2005, with 3 Agencies. I often didn’t agree with the low prices properties were offered, so within 2 years, I went out on my own, now in my 12th year, I have prided myself on consistently achieving the highest prices for my clients.

The real estate prices here on the coast are the highest they’ve been in 12 years Employ a fully Licensed Real Estate Agent not a real estate consultant, not somebody who has done a 3 day course to receive a certificate to work for you. I’d like to work for you to achieve the best price for your home, I’ve had my agency for 12 years & I’ve *consistently* achieved the highest prices for my happy clients.

Don’t be a statistic of a low price, be a statistic for the highest price in the area, & more money in your pocket we’re not the biggest… but we will always work with your best interests in mind.

List your property with somebody who REALLY works to achieve a great price for you. Let’s chat about what we can do to help you to achieve the best price for your home. Don’t let them give it away on you.

I’ve formed trusted, client relationships, & lifelong valued friendships. I’m looking forward to establishing myself here on the coast, passionately continuing to achieve the highest prices for you & add you to my list of life-long happy clients.

Come on & Enjoy the

“MAKE IT YOURS” Experience
